DIRECTIONS FOR USE

SITUATION	SITUATION	STATE	RATE PER 100L LITRES OF WATER	CRITICAL COMMENTS
COTTON	Defoliation aid	NSW, QLD only	2L/Ha	Apply in combination with DROPP® Defoliant as specified on the label.
	Carrier for certain ULV insecticides		3-5L/Ha	Apply in combination with ULV insecticides as specified on the insecticide label to ensure insecticide reaches its target.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION. WITHHOLDING PERIOD

To be determined according to choice of chemical(s).

GENERAL INSTRUCTIONS

This product is an adjuvant for use with certain ULV insecticides during the cotton growing season and for use with DROPP® defoliant.

MIXING INSTRUCTIONS

When used as a carrier: Add the required amount of SACOA COTTOIL® to the tank, then add the ULV insecticide according to its label rates.

When used as a defoliation aid: Pour the required amount of water and chemical into the mixing tank then add the SACOA COTTOIL® and agitate well. Maintain continuous agitation while spraying.

PROTECTION OF LIVESTOCK, WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

Do not contaminate streams, rivers or waterways with the chemicals or used container.

STORAGE AND DISPOSAL

Store in the closed, original container in a cool, well-ventilated, securely locked area. Do not store for prolonged periods in direct sunlight. Do not store near food, feed stuffs, fertiliser or seed.

Triple or preferably pressure rinse containers before disposal. Add rinsate to spray tank. Do not dispose of undiluted chemicals on-site. If recycling, replace cap and return clean containers to recycler or designated collection point.

If not recycling break, crush or puncture and bury the empty containers in a local authority landfill. If no landfill is available, bury the containers below 500 mm in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots.

Empty containers and product should not be burnt.

All 1000L containers remain the property of SACOA Pty. Ltd. Empty contents fully into application equipment. Close all valves and return to point of supply for refill or storage.

SAFETY DIRECTIONS

Avoid inhalation of spray mist or product. Use a mask when spraying. In combination with other chemicals consult relevant safety directions.

FIRST AID

If poisoning occurs, contact a doctor or Poison Information Centre (Phone 13 11 26).

If swallowed do NOT induce vomiting, give a glass of water.

MATERIAL SAFETY DATA SHEET

Additional information is listed in the Material Safety Data Sheet (MSDS). These are available for download from www.sacoa.com.au.

NOTICE TO BUYER

SACOA Pty Ltd accepts no responsibility for any consequence whatsoever arising from the use of the product other than in accordance with this label. SACOA Pty Ltd makes no recommendation as to the compatibility of this product with any herbicide.
